

YOUR 2019 4RUNNER

EXTERIOR COLOR:

Voodoo Blue

INTERIOR COLOR:

TRD Pro SofTex® in Black

City MPG** 17 Highway MPG 20

Here's the 4Runner TRD Pro 4.0L V6 5-Speed Automatic **YOU BUILT**

Starting MSRP:* \$46,415.00
4Runner TRD Pro

Delivery, Processing and Handling Fee: \$1,045.00

4Runner TRD Pro 4.0L V6 5-Speed Automatic

Options: \$0.00
50 State Emissions

Total MSRP:** \$47,460.00

* MSRP excludes the Delivery, Processing and Handling Fee of \$920 for Cars (Yaris, Yaris iA, 86, Corolla, Corolla HB, Camry, Prius LB, Prius <i>c</i>/>, Prius Prime, Mirai, Avalon, Avalon HV), \$1,045 for Small/Medium Trucks, SUVs and Van (C-HR, RAV4, RAV4 HV, Highlander, Highlander HV, 4Runner, Sienna, Tacoma), \$1,295 for Large SUVs (Sequoia, Land Cruiser), and \$1,395 for Large Truck (Tundra). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. The published prices do not apply to Puerto Rico and the U.S. Virgin Islands. Actual dealer price will vary. ** 2014 EPA-estimated mileage. Actual mileage will vary. *** Manufacturer's Suggested Retail Price, includes the Delivery, Processing and Handling Fee. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Mechanical/Performance		
Engine	4.0-Liter V6 DOHC 24-Valve with Dual Independent Variable Valve Timing with intelligence (VVT-i); 270 hp @ 5600 rpm; 278 lb.-ft. @ 4400 rpm	
Emission rating	Low Emission Vehicle II (LEV-II)	
Ignition system	Electronic, with Toyota Direct Ignition (TDI)	
Transmission	5-speed Electronically Controlled automatic Transmission with intelligence (ECT-i) and sequential shift mode	
Drivetrain	Part-time 4WD with Active Traction Control (A-TRAC)	
Off-Road	Electronically controlled locking rear differential, Multi-terrain Select and Crawl Control (CRAWL) ¹	
Off-Road	Hill Start Assist Control (HAC) ²	
Body construction	Reinforced body-on-frame construction	
Suspension	Coil-spring independent double-wishbone front suspension with stabilizer bar; coil-spring 4-link with lateral rod rear suspension with stabilizer bar	
Suspension	TRD FOX high-performance shocks ³ with rear remote reservoirs	
Suspension	TRD-tuned front springs	
Steering	Engine speed-sensing Variable Flow Control (VFC) power-assisted rack-and-pinion	
Brakes	Power-assisted 4-wheel ventilated front disc brakes (Multi-terrain ABS on 4Runner TRD Off-Road)	
Off-Road		
Approach/departure angle (degrees)	33/26	
Ground clearance (in.)	9.6	
Steering		
Turning circle diameter, curb to curb (ft.)	37.4	
Exterior Dimensions (in.)		
Overall height	72	
Overall width	75.8	
Overall length	191.3	
Wheelbase	109.8	
Track (front/rear)	64.1/64.1	
Interior front/second-row/third-row seats (in.)		
Head room	39.3/38.6/34.3	
Shoulder room	57.8/57.8/—	
Hip room	56.5/55.7/—	
Leg room	41.7/32.9/—	
Weights/Capacities		
Curb weight (lbs.)	4750	
Gross Vehicle Weight Rating (GVWR) (lbs.)	6300	
Cargo volume ⁴ (cu. ft.) behind front/rear seats (with sliding deck)	88.8/46.3	
Fuel tank (gal.)	23	
Seating capacity (standard/with optional third-row seat)	5	
Towing ⁵ (SAE J2807 towing rating-compliant)	Integrated towing hitch receiver and wiring harness with 4- and 7-pin connectors ⁵	
Towing ⁵ (SAE J2807 towing rating-compliant)		
Towing capacity (lbs.) ⁵	5000	
Tires		
Type	All-terrain	
Spare		
Full-size, mounted under body	S	

MPG/Other/Price

Mileage Estimates (mpg city/highway/combined) ⁶	17/20/18
--	----------

EXTERIOR

Projector-beam headlights with smoked trim	17-in. matte-black TRD alloy wheels ⁷ with P265/70R17 A/T tires
Auto on/off headlight feature	Aerodynamic variable intermittent windshield wipers with mist cycle
LED taillights with smoked sport trim	Windshield wiper de-icer
Integrated LED fog lights	Privacy glass on rear side, quarter and rear liftgate windows
Color-keyed front and rear bumpers with black accents	Color-keyed rear spoiler with LED center high-mount stop light and integrated concealed rear wiper with mist cycle
Heated power outside mirrors with turn signal indicators	Skid plates — on engine/front suspension, fuel tank and transfer case (transfer case on 4x4 models only)
Roof rack	TRD-stamped aluminum front skid plate
Unique "TOYOTA" front grille	Front and rear mudguards
Black "TRD PRO" external hard badges	
Power tilt/slide moonroof with sunshade	

INTERIOR

Air conditioning with air filter and second-row vents	Backup camera ⁹ with projected path
Multi-Information Display (MID) with outside temperature, clock, average fuel economy and distance to empty	Overhead console with Multi-terrain Select, Active Traction Control (A-TRAC), VSC ¹⁰ cutoff, locking rear differential and Crawl Control (CRAWL) ¹ switches
SoftTex [®] -trimmed heated front seats; 8-way power-adjustable driver's seat with power lumbar support; 4-way power-adjustable front passenger seat	HomeLink ^{®11} universal transceiver
"TRD" red lettering on driver and front passenger headrests	Center-console storage compartment with coin, tissue and pen holders (carbon-fiber look)
Cruise control	Gated shift lever with sequential shift mode
Leather-trimmed tilt/telescopic steering wheel with audio, Bluetooth ^{®8} hands-free phone and voice-command controls	TRD shift knob
Optitron instrumentation with speedometer, tachometer, coolant temperature and fuel gauges; LCD display with odometer, tripmeters and average fuel economy; ECO Driving Indicator and warning messages	TRD Pro floor mats ¹²
In-key remote keyless entry system	Two front, two rear and one cargo area 12V DC auxiliary power outlets
Power windows with auto up/down and jam protection in all positions	One cargo area 120V 100W/400W AC power outlet
Power rear liftgate window with auto up/down and jam protection	Auto-dimming rearview mirror
Rear liftgate window defogger with timer and UV protection	Dual sun visors with illuminated vanity mirrors and extenders
Power door locks with programmable auto door lock logic	Ten (12 on three-row models) cup and bottle holders
	Foot pedal parking brake

MULTIMEDIA

Entune™ Premium JBL ^{®13} Audio with Integrated Navigation ¹⁴ and Entune® App Suite ¹⁵ — includes 6.1-in. high-resolution touch-screen with split-screen display, AM/FM cache radio, HD Radio™, ¹⁶ CD player, 15 JBL ^{®13} GreenEdge™ speakers including subwoofer amplifier, auxiliary port, USB 2.0 port ¹⁷ with iPod ^{®18} connectivity and control, advanced voice recognition, ¹⁹ hands-free phone capability, phone book access and music streaming ⁸ via Bluetooth ^{®8} wireless technology, Siri [®] Eyes Free, ²⁰ HD Radio™ ¹⁶ Predictive Traffic and Doppler Weather overlay, and SiriusXM [®] Satellite Radio ²¹ with 3-month All Access trial. ²² See toyota.com/entune for details.

Warranties

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components for hybrid vehicles are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Owner's Warranty Information booklet for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: For accessories purchased at time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months or 36,000 miles (whichever comes first) from the vehicle's in-service date, which is the same coverage as the Basic coverage of the Toyota New Vehicle Limited Warranty.

For dealer-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first) from the date the accessory was installed on the vehicle, or the remainder of the above 36 months or 36,000 miles Basic coverage from the vehicle's in-service date, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

For customers (non-dealer) installed accessories purchased after the new vehicle purchase, the coverage is 1 month of 12,000 miles (whichever comes first), from the purchase date of the accessory.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

TOYOTA CARE

ToyotaCare

Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Toyota vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Toyota dealer for details.

1. Crawl Control is designed for driving on difficult terrain at low speeds. It assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. The Toyota 4Runner is designed to meet off-road driving requirements, but off-roading is inherently dangerous. Always wear seatbelts. See Owner's Manual for additional limitations and details. 2. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 3. FOX is a registered trademark of FOX Factory, Inc. (©FOX Factory, Inc.) 4. Cargo and load capacity limited by weight and distribution. 5. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. 7. 17-in. off-road performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending upon tires used and driving conditions. 8. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 9. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 10. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 11. HomeLink® is a registered trademark of Johnson Controls, Inc. 12. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 13. JBL® is a registered trademark of Harman International Industries, Incorporated. 14. Availability and accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See Owner's Manual for details. 15. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See toyota.com/entune for details. 16. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 17. May not be compatible with all mobile phones, MP3/WMA players and like models. 18. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 19. Advanced voice recognition capabilities vary by head unit. 20. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available on select iPhone®/iPad® models and requires Internet access. Siri® is not available in all languages or all areas and features vary by area. Some Siri® functionality and commands are not accessible in the vehicle. Data charges may apply. See apple.com and phone carrier for details. Siri® is a registered trademark of Apple Inc. 21. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2018 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. 22. Trial length and service availability may vary by model, model year or trim. 23. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, and tire and road conditions. See Owner's Manual for additional limitations and details. 24. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details. 25. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for further information/warnings. 26. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 27. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details. 28. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 30. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 31. Roadside Assistance coverage is 2 years unlimited mileage. Does not include parts and fluids, except emergency fuel delivery. See Toyota Dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 32. Installed MSRP is the Manufacturer's Suggested Retail Price for accessories installed by the manufacturer. Actual prices for dealer installed accessories may vary. Please see your local Toyota dealer for pricing. Prices and product availability are subject to change without notice. 33. Installation not included. See your local Toyota dealer for installed pricing. Prices and product availability are subject to change without notice.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A. vehicles only.
