

Part Number: TOY-202-03

INSTALLATION INSTRUCTIONS

TOYOTA 4 RUNNER (2003-2006)

NOTE: READ INSTRUCTIONS COMPLETELY BEFORE INSTALLING THIS BRACKETRON PHONE MOUNT.

All instructions are written from the drivers seat position looking forward at the vehicle dash. We advise caution whenever your removing or handling plastic parts of a vehicles dash. **WARNING:** Unnecessary force or pressure can cause pieces to crack or break.

Logo and part number will be right side up and readable when installed.

TOOLS NEEDED: #2 Phillips screwdriver, 10mm socket & driver.

PARTS INCLUDED: One phone mount and instructions.

LOCATION OF MOUNT: To the left of the glove box.

Step 1.

Begin by opening the glove box door. Locate and remove two (2) Phillips screws in upper right and left corners of the glove box cavity. Set the screws aside. Locate and remove two (2) other Phillips screws that are behind the openings on the left and right side of the glove box door. Set screws aside. Grasp the glove box insert and pull toward you to release the four (4) clips that hold it in place. Set the insert aside.

Step 2.

Locate and remove the 10mm socket in the upper left corner of the glove box cavity. **Note:** Attach your mobile device to the face of the mount before intalling it, it can be diffucult attaching it after the bracket is in place. Place the Custom Bezel Mount over the hole and insert the 10mm factory screw and tighten. **Note:** Make sure that the mount is tight to the right side of the bezel that surrounds that radio and climate control. This will allow clearance for the glove box door opening and closing.

Step 3.

Re-assemble the glove box in reverse order securing all screws and clips. Install a Bracketron phone holder or **Amps** compatible device to your **Custom Bezel Mount**.

Your installation is complete.
