This Vehicle Configurator is designed to identify vehicles available in your area. It will return a list of vehicles that may not match your exact configuration. If you would prefer to purchase a vehicle with no options or a specific configuration, please contact your local dealer to check for current availability or the possibility of placing an order for such a vehicle. Please remember, Toyota vehicles are built with popular option combinations. Not all options are available separately, and some options and accessories may not be available in all areas. So please contact your Toyota dealer, who can help locate the vehicle that's right for you.

* Manufacturer's Suggested Retail Price, includes the Delivery, Processing and Handling Fee, which ranges from \$805 to \$995. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.
