Any claims against this invoice regarding incorrect quantities, defective merchandise, or any other discrepancy must be made in writing within 5 days after receipt of the merchandise. Failure to do so will relieve Intelligent Designs 2000 Corporation Home of GOBI Racks USA of any responsibility for credit or replacement of the same. Accounts requiring legal collection or disputes will be liable for all applicable attorney/collection fees and all applicable interest fees.

INSTALLATION AGREEMENT AND USAGE

Due to lack of control in regards to the installation, usage, removal, adjustment or reinstallation of rack/ladder/lights/accessories, Intelligent Designs 2000 Corporation Home of GOBI RACKS USA will not warranty or be liable for the rack/ladder/lights/accessories failure or separation from vehicle. The customer assumes all responsibility for ensuring the rack/ladder/lights/accessories are properly secure to the vehicle at all times and must check the rack/ladder/lights/accessories periodically (prior to each use) for any loose or defective parts.
