Replaced o-rings, filters, seals

Parts used (6) 1-109, 3-174 (12) 3-141

THANK YOU FOR YOUR BUSINESS!

It is the installers responsibility to check for fuel leaks after installation.

Apply clean oil to o-rings before installing.

It is advised that all cleaned injectors are to be installed within 30 days of servicing to prevent sticking.

All used replacement injectors are guaranteed for 30 days for replacement or refund only.

Customers cleaned injectors can not be guaranteed.
